March, 1980

P R E S I D E N T ' S M E S S A G E

The members of FUSLA wish to thank Julia for carrying our good wishes and congratulations to the newly formed Colorado Society. Their President, Jim McNelly, and several other members were previously active here in the Los Angeles Society. We all celebrate their return to organizational service.

A less joyous note intrudes upon our lives at this time. Julie Parke was evacuated by Sherrif's deputies when flood waters overran Topanga Canyon. She is temporarily staying with her mother, Polly, in Port Hueneme.

Many friends have called us, here in Malibu, expressing concern, but I'm happy to say we are fine. How is the flood treating you? Do you need our help? If so call me at (213) 456-9708 and I will coordinate available assistance.

As you know, FUSLA will be responsible for preparing a portion of the program at the 1981 Brotherhood General Conference in Colorado. Those of you who would be interested in participating in a planning meeting for that Conference, please call me. The meeting will take place in about two or three weeks, weather permitting.

Preparing for Marriage and Family

The March meeting will be the second of a two-part presentation on Human Sexuality, Marriage and Family. This time, the topic is "Preparing for Marriage and Family." The purpose of the workshop is to foster interest in the study (and practice) of marriage and family according to principles set forth in The URANTIA Book.

We hope that you will freely contribute your ideas and questions!

Speakers will again be Julia Fenderson and Charles (Chick) Montgomery. Julia will speak on the importance of family and the need for preparation, as emphasized in The URANTIA Book, and Chick will discuss family structure and roles, the permanence of the family structure in a changing world.

We thank all who brought wonderful refreshments at the last meeting. Let's keep up that good work!
